Official Certificate

Dear Idhant Ranjan,

We would like to confirm that a contribution with the title "Bridging Micro-Behavioral Heterogeneity and Macro Policy Outcomes: A Machine Learning and Agent-Based Modeling Approach for Degrowth Policy Evaluation" written by Idhant Ranjan was presented at our event 16th Conference of the European Society for Ecological Economics, held in Ghent, Belgium.

Thank you very much for your contribution.

Yours sincerely,

Brent Bleys and Bart Defloor
